MARK YOUR CALENDARS & REGISTER NOW FOR COALITION LOBBY DAY MAY 10

Surgeons from all localities will join forces in the State Capital on May 10 to advocate for their patients and profession during the NY Coalition of Specialty Care Physician's State Lobby Day. The Coalition is a partnership of state surgical and medical organizations committed to ensuring the highest standards of care for patients.

Currently several priority pieces of legislation have already been proposed that would grant overly broad practice expansions for a variety of allied health provider groups. The Coalition views these bills as clearly crossing the line into the practice of medicine and threatening patient safety. Your voice needs to be heard if we are to succeed in defeating them.

The day will kick off with a breakfast, legislative briefing and Q&A session. Immediately following, physicians will meet with their elected representatives in the Senate and Assembly. Attendees will be paired with other physicians and provided with easy to understand talking points so they can effectively present their arguments and position.

Please confirm your commitment to your colleagues, your profession and your patients by using the form below to register and joining us at Lobby Day. Because we are expecting a large turnout for the event, it is necessary to begin scheduling meetings with legislators now! Therefore, please return your completed registration form **as soon as possible**.

NY Coalition of Specialty Care Physicians May 10 State Lobby Day

Registration Form

(please print or type)

Physician Name: _____

Office Address: _____
(street) (town/city) (state) (zip)

Home Address: _____
(street) (town/city) (state) (zip)
